PROTECTS ALL PRECIOUS

ADD SHIELD

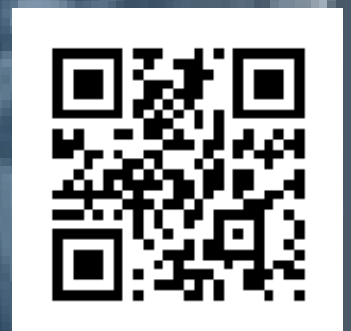

Innovative Automotive Protection Solutions

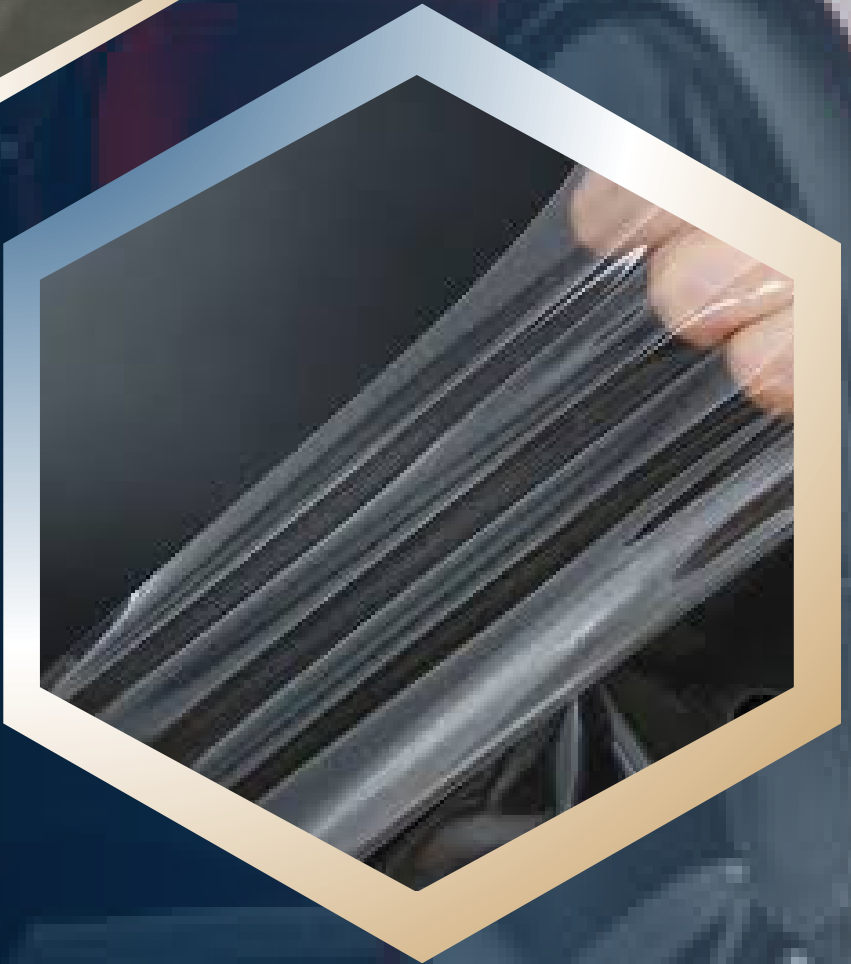

ADD SHIELD is a specialized company in the field of automotive protective films, offering cutting-edge solutions designed to safeguard vehicles from scratches, fading, and damage caused by environmental factors. Our mission is to deliver premium-quality films that meet stringent American standards—combining durability, clarity, and long-lasting performance—while preserving the original beauty of every vehicle.

Using advanced manufacturing technologies, our films are engineered to resist UV rays, chemicals, and surface abrasions. Whether it's a daily-driven car or a high-end luxury vehicle, our products provide superior protection and a flawless finish.

Our Vision

To be a trusted leader in automotive protection by delivering state-of-the-art solutions that enhance vehicle longevity and elevate the driving experience for our customers.
